

Union Grove Youth Football

Union Grove Youth Football Information from Chad Ryshkus, President :

The website is up and running. Please visit www.ugyouthfootball.com; we'll be updating it regularly with information as we progress into the season. Please send me 2-3 pictures of your team for the front page of our site.

- If you know of anyone who may want to be a sponsor for UGYFO, please direct them to the website. There is a link to the sponsor form on the sponsor page. You can also [click here](#) for the form.
- I've added a forum to the website to discuss different topics and provide a centralized location for shared information. The link to the forum is under the "links" tab or can be visited at: <http://FootballForum.ugyouthfootball.com>. Registration is required.
- Please visit: <http://www.prosportsexperience.com/winsportsequipmentwi.html> to vote for UGYFO to get the chance to win \$1000 in equipment. It will ask you for a city. Put "Racine" in as Union Grove is not an option. Also, the organization name is "Union Grove Youth Football, Inc."
- I will be sending out emails via president@ugyouthfooball.com from time to time. Please ensure that it will pass through any spam filters on your email.
