Youth Sports-Parent Code of Conduct

UG Rec Sports Philosophy:

UG Rec emphasizes fundamentals, teamwork, fair play, cooperation, and respect for the officials one's self, one's teammates, and the other team. Our philosophy is simple: Everyone plays-Everyone wins. Every decision you make and every behavior you display is based first, on what you think is best for your athletes, and second, on what can be accomplished to have everyone become a winner.

I hereby pledge to provide positive support, care, and encouragement for my child participating in youth sports programs by following this parent code of conduct:

I will encourage good sportsmanship by demonstrating positive support for all participants, coaches, officials, and support staff. Initial _____

I will do my best to make this program fun for my child. Initials _____

I will keep a winning in perspective. Children won't focus on the loss if you don't. Initials _____

I will ask my child to treat other participants, coaches, officials, parents, support staff, and spectators with respect regardless of race, age, sex, creed, or ability. Initials _____

I will treat officials, coaches, and support staff with respect. They are to provide your child with a safe and healthy learning environment. Officials, coaches, and support staff are humans and, while you may not agree with them all the time, you will maintain a respectful attitude toward them. Initials _____

I will strive to be a good role model for my child and the other children in the program. I will encourage my child to learn to lose with dignity and win with grace. Initials _____

I will respect my child's coach and do my best to have my child at all practices and games on time. Initials _____

I will recognize the importance of volunteer coaches. Initials _____

I will realize volunteer coaches are important to the development of my child and the program. Initials _____

I will communicate with the volunteer coach and support them. Initials _____

I understand that if I do not follow this code of conduct I may be asked to leave the facility while my child is playing and return when the game is finished. I, at the end of the day, understand that the main goal is for my child to have fun and enjoy the game and experience.
