Azar II declared a Public Health Emergency for the entire United States to aid the nation's healthcare community in responding to the 2019 novel Coronavirus "COVID-19." COVID-19 is a contagious, and at times fatal, respiratory disease; the worldwide outbreak of COVID-19 and the effects of its extreme risk of person-to-person transmission throughout the United States, significantly affect the lives and health of our people, as well as the economy, and is a disaster that impacts the health, security and safety of the public; and

**WHEREAS**, on or about March 13, 2020, the State of Wisconsin and the federal government declared a State of Emergency, due to the COVID-19 pandemic; and

**WHEREAS**, on or about March 13, 2020, Racine County issued a Declaration of Emergency due to the COVID-19 pandemic; and

**WHEREAS**, on or about March 13, 2020, March 16, 2020 and March 17, 2020, the State of Wisconsin declared a public health emergency and issued orders closing schools, limiting gatherings of more than 10 people, closed restaurants and bars to in-dining consumption, and made several other orders due to the COVID-19 pandemic; and

**WHEREAS**, the CDC expects that widespread transmission of COVID-19 in the United States will occur, and that in the coming months, most of the U.S. population will be exposed to this virus; and
