VILLAGE OF UNION GROVE – MUNICIPAL OFFICES

GENERAL ELECTION GUIDELINES

Each of the following forms must be completed and filed on time for candidates for municipal office in order for the candidate's name to be placed on the ballot for the Spring Primary and/or Spring Election:

- Campaign Finance Registration Statement (Form CF-1)
- Nomination Papers (Form EL-169)
- Declaration of Candidacy (Form EL-162)

Note: No person may have his or her name placed on the ballot for any local elective office in Wisconsin if the person has been convicted of a felony in any court in the United States unless the person has been pardoned of the conviction (Wis. Const. Art. XIII, 3(3)). Any person who falsely signs this statement could be convicted of a violation of Wis. Stat. 12.13(3)(a), (am).

NOMINATION PAPERS

Prior to announcing your candidacy for office or circulating nomination papers, you must file a Campaign Finance Registration Statement in the Village Clerk's office. The **first** day for circulating nomination papers is **December 1, 2022** and the deadline for filing them back with the Clerk's office is **5:00 pm on Tuesday, January 3, 2023**.

If all papers are not turned in by the deadline, the candidate's name will not be placed on the ballot.

Candidates need to complete the following forms:

Campaign Finance Registration Statement (CF-1): Candidates should file a Campaign Finance Registration Statement as soon as intent to seek elective office is known, **before** funds are collected or spent. All candidates should file this statement or amended statement **before** circulating nomination papers. The candidate's name will not be placed on the ballot if this form is not filed on time with the Village Clerk (by 5:00 pm on Tuesday, January 3, 2023).

Nomination Papers (EL-169): Nomination papers may be circulated beginning on December 1, 2022 **and after** the candidate has filed the Campaign Finance Registration Statement with the Village Clerk. Signers must include their complete signature, complete address, and date of

signing. Each nomination paper must be signed by a Circulator. Complete instructions are on the back of this form and should be followed carefully as any mistakes with these papers could negate all signatures on the sheet.

For the Village of Union Grove, 20 to 100 signatures are required. It is always good to have more than the minimum just in case some signatures are declared invalid. A whole sheet could be declared invalid if the Certification of Circulator is signed and dated prior to collecting signatures. These forms must be filed with the Village Clerk by 5:00 pm on Tuesday, January 3, 2023.

Declaration of Candidacy (EL-162): This form must be filed with the Village Clerk no later than Tuesday, January 3, 2023 or the candidates name will not appear on the ballot. The candidate must indicate how their name should appear on the official ballot. This form must be sworn to and signed in the presence of a notary or person authorized to administer oaths. Village Hall Staff are available to notarize. A person who has been convicted of a felony cannot run for or hold public office unless he or she has been pardoned of the offense.

Following the submittal of all of the above forms to the Village Clerk, the forms will be checked for validity. For each election, the Village Clerk will draw the candidate's names by lot for order placement on the ballot. You will be advised of this date and time.

For incumbent office holders:

Notification of NON-Candidacy: This form must be filed with the Village Clerk no later than 4:00 pm on Friday, December 23, 2022, if you do NOT intend to seek re-election.

CAMPAIGN FINANCING

(State Statutes Chapter 11)

Exemption Affirmation *(Located on the Campaign Finance Registration Statement)*

<p>Filing Exemption <i>Registrants that will not accept contributions, make disbursements, or incur obligations in an aggregate amount of more than \$2,000 in a calendar year are eligible for exemption from filing campaign finance reports. Exempt status is effective only for the calendar year in which it is granted. Registrants wishing to remain on exempt status must renew each year. Candidates may not claim exemption in the year of their election before the day they appear on the ballot.</i></p>	<p>A29. Exemption Affirmation <input type="checkbox"/> Yes, this registrant is eligible for exemption <input type="checkbox"/> No, this registrant is not eligible for exemption</p>
--	---

Candidates are eligible for exemption from filing a Campaign Finance Report if they meet the following criteria:

1. The candidate anticipates that he/she will not accept any contributions, make disbursements, or incur loans and other obligations in an aggregate amount exceeding \$2,000 in a calendar year.
2. The candidate anticipates that he/she will not accept any contribution or cumulative contributions from a single source exceeding \$500 in a calendar year.
3. The candidate or treasurer signs and dates the request for exemption on the Campaign Finance Registration Statements.

The \$500 limit on contributions from a single source does not apply to contributions from a candidate's personal funds for his/her own campaign if the candidate's contributions total \$2,000 or less in a calendar year.

When a candidate is exempt, he/she is not required to file any Campaign Finance Reports. However, the candidate or treasurer is required to keep financial records adequate to meet the requirements of campaign finance law. This means that a record must be kept of all contributions to the committee and of all expenditures. This candidate may use a personal account as the campaign depository.

If a decision is made at a later date to exceed the \$2,000 limit on contributions and disbursements, or to raise more than \$500 from a single source for the campaign during a calendar year, the candidate must amend the Campaign Finance Registration Statement immediately. The CF-2L Campaign Finance Report for contributions of \$2,000 is located on the State of Wisconsin Ethics Commission website under Campaign Finance: <https://ethics.wi.gov/>

Prohibited contributions by Wisconsin law include:

1. Anonymous contributions of more than \$10
2. Contributions in cash of more than \$100
3. Contributions given in the name of someone other than the contributor (these are laundered contributions)
4. Contributions from cooperatives or corporations
5. Contributions in excess of limits set by law

ELECTION DAY CAMPAIGN RESTRICTIONS

(State Statute 12.03 & 12.04)

Persons are prohibited from electioneering on public property within 100 feet of an entrance to a building containing a polling place, or engage in any activity which disrupts voting or interferes with the orderly conduct of the election. This prohibition does not apply to electioneering on private property within 100 feet of an entrance to a polling place. The placement of election signs on private property within the 100-foot radius is permissible.

State law prohibits the distribution of election-related material at the polling place on Election Day. Election-related material is any written matter which describes the rights or responsibilities of individuals voting or registering to vote at a polling place or voting an absentee ballot at the office of the municipal clerk or an alternate site.

DISCLAIMERS

(State Statute 11.30)

Every communication which is paid for by political funds must contain a disclaimer or attribution statement identifying the source of funds paying for the communication. This includes every printed advertisement, billboard, handbill, sample ballot, television or radio advertisement or

other communication paid for by political funds. Disclaimers should be included on each separate page of a political communication, including letterhead and enclosures. Disclaimers should also be on items such as T-shirts, bumper stickers and yard signs. The disclaimer **must** use the words **“Paid for by”** (*abbreviations should not be used for this language*) followed by the name of the committee or group making the payment or assuming responsibility for the communication and the name of the treasurer or other authorized agent. When the communication is being paid for through an in-kind contribution, it must bear the disclaimer of the recipient campaign committee. An in-kind contribution is any goods, service or property offered to the campaign committee free or at less than the usual cost. Abbreviations may not be used for the name of a candidate or campaign committee.

No disclaimer required on:

1. Personal correspondence not reproduced by machine for distribution.
2. A single personal item which is not reproduced or manufactured by machine or other equipment.
3. Nomination papers, even if the papers contain biographical information.
4. Pins, buttons, pens, balloons, nail files and similar small items on which a disclaimer cannot be conveniently printed.
5. Envelopes which have campaign committee identification printed on them.

Formats for Disclaimers:

When a communication is paid for by a candidate without a committee, or paid for by an individual, the disclaimer should read: **“Paid for by Mary Smith”**.

When the communication is paid for by the campaign committee of a candidate or by a political committee, the disclaimer should read: **“Paid for by Friends of Mary Smith for Village President, John Jones, Treasurer”** or **“Paid for by the Committee for Voters, John Jones, Treasurer”**.

When the communication is an independent expenditure, either supporting or opposing a candidate, the disclaimer should read: **“Paid for by the Committee for Voters, John Jones, Treasurer. Not authorized by any candidate or candidate’s agent or committee”**.

Sec. 118-1113. Signs permitted in all zoning districts without a permit.

- (2) Election campaign signs. Election campaign signs may be allowed in any district without a permit provided that permission shall be obtained from the property owner, renter, or lessee; and provided that such sign shall not be erected for more than the election campaign period set forth in Wis. Stat. §12.04, and removed within seven days following the election. Such signs in residential zoning districts shall not exceed 11 square feet on each sign face per sign, unless located on a county or state trunk highway or village designated arterial street, in which case the maximum sign area may be increased to 16 square feet; may not exceed six feet in height; and, may not exceed a total of 16 square feet per lot. To avoid sign clutter and visual distraction, individual signs more than four square feet in area should be spaced apart from other signs on the property at least 30 feet. No such sign shall be placed on public lands, within public rights-of-way or within the designated vision triangle of two intersecting streets. If a sign is placed without such permission, it will be subject to removal without notice. Fees for short-term temporary signs shall be waived. In the event that Wis. Stat. Section 12.04 would permit a sign that is larger than the size limitations set forth above, such sign, regardless of sign content, is allowed only for the period described in Section 12.04.

Sign placement guidance

Realty, campaign and other temporary signs must be placed on private property. Since highway right-of-way limits may vary greatly in width, look for fences parallel to the road or for utility pedestals and poles. These items are usually placed near the right-of-way limits.

Keep highway right-of-way clear of signs.

Utilities are often installed just inside the right-of-way limit. Signs are not allowed in the area between the utility poles and the road surface.

Political signs are allowed on private property with the permission of the landowner as long as the sign does not exceed 32 square feet and has no flashing lights or moving parts.

CITATIONS AND FINES:

Citations may be issued for violating Wisconsin Statute s. 86.19, which covers improperly placed signs on state highway right-of-way. Fines may also be issued based on the seriousness of the offense. Fines range from \$10 to \$500 and are usually higher for second or subsequent violations.

IMPROPERLY PLACED SIGNS ON HIGHWAY RIGHT-OF-WAY

**GENERAL GUIDELINES
REGARDING
GARAGE SALE, POLITICAL,
REAL ESTATE AND
OTHER TEMPORARY SIGNS**

IMPROPERLY PLACED SIGNS

Definition

Garage sale signs, political signs and signs selling real estate are occasionally placed improperly and illegally within highway right-of-way.

In addition to being illegal, improperly placed signs may distract motorists or impair their vision at intersections, driveways and even on the shoulder of the road. Signs may also be a safety hazard if accidentally struck by a vehicle or highway maintenance equipment, such as a mower.

For the safety of everyone, it is the duty of state and county workers to remove improperly placed signs. These workers are trained to handle such work activities safely.

Signs placed improperly within the right-of-way may be a hazard.

Priority of removal

State or county workers do not make special trips to look for improperly placed signs, unless there is a complaint. These workers often discover such signs as they perform routine highway surveillance and maintenance activities.

The first priority is to remove signs that cause a safety hazard – such as signs in vision triangles at intersections. First priority signs are removed immediately.

Second priority signs may not pose an immediate threat to motorists. These second priority signs may be marked with a DOT blaze orange sticker titled, "Removal Order, Right of Way Encroachment." If the sign is still present at a follow-up visit, the sign will be removed.

**REMOVAL ORDER
RIGHT OF WAY ENCROACHMENT**
Wisconsin Department of Transportation
DT1813 3/2017

Wisconsin statutes 86.021, 86.022, 86.04 and 86.19 prohibit encroachments within the highway right of way. Such items may pose a hazard to the traveling public or cause damage to state-owned property. The encroachment below was discovered within WisDOT right of way. Failure to remove the item by the date shown will result in removal by state maintenance authorities, and the owner billed for removal costs and/or damages.

Encroachment: _____
Location: _____
Remove by: _____
WisDOT rep: _____
Telephone #: _____

For more information, go to:
<http://wisconsindot.gov/encroachments>

Claiming removed signs

If a sign is removed by a public employee, you may call your county highway department to get it back – if the sign was removed less than 30 days ago. To retrieve the sign, you will need to pick it up at the county highway office or shop.

Improperly placed signs may add to the clutter along the roadside and be confusing to motorists.

Signs may block motorists' vision, causing unsafe conditions.

Important Note Regarding Statements of Economic Interests:

A municipality may enact an ordinance establishing a code of ethics for public officials that may require a candidate for municipal office, *in addition to the office of Municipal Judge*, to file a **Statement of Economic Interests (SEI)**. Item E2. A political party or a legislative campaign committee may establish a segregated fund for purposes other than making contributions to a candidate committee or making disbursements for express advocacy (WIS. STAT. § 11.1104(6)). It is recommended that the committee maintain the segregated fund in a depository account separate from the primary account, but it is not required.

Items E3 - E7. If the segregated fund is maintained with the same depository institution as the primary account, write "Same as primary account." in E3.

Section F: Referendum Committees. Only referenda committees should complete section F.

Stat. § 8.21. *Federal candidates are not required to provide this information, however an address for contact purposes is helpful.*
- Type or print your name on the fifth line as you want it to be printed on the official ballot. You may use your full legal name, former legal surname, or any combination of first name, middle name, and initials, surname or nickname with last name.

Note: The Wisconsin Elections Commission has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

This form must be sworn to and signed in the presence of a notary public or other person authorized to administer oaths, such as a county or municipal clerk. Wis. Stat. §§ 8.21(2), 887.01(1).

Information to be provided by the person administering the oath:

INSTRUCTIONS FOR PREPARING NOMINATION PAPERS FOR NONPARTISAN OFFICE

This is a sample nomination paper form. It conforms to the statutory requirements for nomination papers for nonpartisan office. All information concerning the candidate must be completed in full before circulating this form to obtain signatures of electors. All information concerning the signing electors and the circulator must be completed in full before filing with the appropriate filing officer. This form may be reproduced in any way. A candidate's picture and biographical data may also be added to this form. The Wisconsin Elections Commission has determined that no disclaimer or other attribution statement is required on nomination papers. Candidates are advised to send a sample of their completed form to the filing officer for review before circulation.

Page Numbers – Number each page consecutively, beginning with “1”, before submitting to the filing officer. A space for page numbers has been provided in the lower right-hand corner of the form.

Candidate's Name - Insert the candidate's name. A candidate may use his or her full legal name, or any combination of first name, middle name, and initials or nickname with last name. The Wisconsin Elections Commission has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses between first and last names. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

Candidate's Address – Insert the candidate's residential address (*no P.O. Box addresses*) and the municipality for voting purposes. Indicate if the municipality of residence is a town, village, or city. If a candidate's mailing address is different from the residential address or voting municipality, a complete mailing address must also be given.

Date of Election - Insert the date of the election. If the nomination paper is being circulated for a spring election, the date is the first Tuesday in April. If the election is a special nonpartisan election, the date of the special election must be listed.

Title of Office - The name of the office must be listed **along with any branch, district, or seat number** (if applicable) that clearly identifies the office the candidate is seeking. If necessary, the name of the jurisdiction that identifies the office, such as Dane County Circuit Court Judge, Branch 3, must also be listed.

Name of Jurisdiction - The nomination papers must also indicate the municipality or jurisdiction in which the signing electors are qualified to vote, as it relates to the office sought by the candidate named on the nomination paper. For example, for a statewide office the jurisdiction is the State of Wisconsin. Others may be the county, town, village, city, aldermanic district, school district, or town sanitary district, as required.

Signatures and Printed Name of Electors - Only qualified electors of the jurisdiction or the district the candidate seeks to represent may sign the nomination papers. Each signer must also legibly print their name. Each elector must provide their **residential** address (*no P.O. Box addresses*), including any street, fire or rural route number, box number (if rural route) and street or road name, and municipality of residence. A post office box number alone does not show where the elector actually resides. The name of the Municipality of Residence must be listed for each signing elector and must clearly identify the town, village or city where the elector's voting residence is located. The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

Signature of Circulator - The circulator should carefully read the language of the *Certification of Circulator*. **THE CIRCULATOR MUST PERSONALLY PRESENT THE NOMINATION PAPER TO EACH SIGNER. THE NOMINATION PAPER MAY NOT BE LEFT UNATTENDED ON COUNTERS OR POSTED ON BULLETIN BOARDS.** The circulator's complete residential address including municipality of residence must be listed in the certification. **After** obtaining signatures of electors, the circulator must sign and date the certification.

Other Instructions - Candidates and circulators should review Ch. Wisconsin Elections Commission §§ 2.05, 2.07, Wis. Adm. Code.

- *Original* nomination papers must be in the physical custody of the appropriate filing officer by the filing deadline. A postmark on the filing deadline is **NOT** sufficient. Nomination papers **CANNOT** be faxed to the filing officer. Ch. Wisconsin Elections Commission § 6.04(2), Wis. Adm. Code.
- Nomination papers with the required number of signatures must be filed with the appropriate filing officer **no later than 5:00 p.m.** on the first Tuesday in January (or the next day if the first Tuesday is a holiday) before the spring election. Special elections may have different filing deadlines. Check with the filing officer.
- In order for a candidate's name to be placed on the ballot, a candidate must file a *Campaign Registration Statement* (ETHCF-1), a *Declaration of Candidacy* (EL-162), and *Nomination Papers* (EL-169) containing the appropriate number of signatures for the office sought no later than the filing deadline. Wis. Stat. § 8.10(3). Candidates for state office and municipal judge must also file a statement of economic interests with the Wisconsin Ethics Commission by the third business day after the nomination paper filing deadline. Wis. Stat. § 19.43. If any one of these required forms is not filed by the deadline, the candidate's name will not be placed on the ballot. Wis. Stat. § 8.30.
- If a candidate or circulator has any questions, he or she should contact the filing officer.

4. The name and address of the depository account of the candidate committee and of any other institution where funds of the committee are kept.

[WIS. STAT. § 11.0203](#).

Guide for Filing the Campaign Finance Registration Statement (CF-1)

Section A. General Information

This section must be completed by all candidates and candidate committees. It contains the information identifying the candidate committee.

A1. Candidate Committee/Committee/Conduit Name

The Ethics Commission recommends using something like "FIRST AND LAST NAME for OFFICE" for the committee name, so that any attribution/disclaimer statements placed on advertisements or yard signs make clear who paid for them.

A2. Registrant Type

Local candidate committees should choose “Candidate.”

A3-13. Contact and Depository Institution Information

If the candidate committee does not have a separate address/PO box, phone number, email or depository account for the candidate committee, then the candidate should use their personal address, phone number, email and depository account.

A14-20. Treasurer Information

If the candidate is serving as their own treasurer, they should include their own contact information here.

A21-28. Other Officers

This section is intended to list other individuals that are helping on the campaign and is entirely optional. Local non-partisan candidates can list an individual here with an asterisk by their name which indicates they are to fill a vacancy if the candidate were to pass away.

A29. Exemption

Indicate whether the candidate committee will not accept contributions, make disbursements or incur obligations in aggregate of more than \$2,000 in a calendar year and therefore is eligible to claim an exemption from filing campaign finance reports.

Section B. Candidate Committees

B1-3. Election Information

List the office sought, including the district and branch and the election date. If the race is nonpartisan, then “nonpartisan” can be listed in B2.

B4-10. Candidate Information

This section should list the personal contact information of the candidate.

B11-12. Second Candidate Committee

If the candidate has an additional candidate committee, they should indicate it in this section.

Section C-E: Other Committee Registration Information

Local candidate committees do not need to fill out information in Sections C-E because those sections are for Recall, Political Action, Independent Expenditure, Political Party, Legislative Campaign, Referenda Committees and Conduits.

Section G. Certification

The candidate and treasurer certify the registration here with their signatures. If the candidate serves as the treasurer, they only need to sign once under “Candidate” in G4-G6.

Amending a Registration Statement

When any of the information reported on the registration statement changes, an amendment to the registration statement must be filed with the appropriate filing officer within **ten days**. [WIS. STAT. § 11.0203\(3\)\(a\)](#).

Candidates Seeking More Than One Office

An individual who holds a state or local elective office may establish a second candidate committee to pursue another state or local office. [WIS. STAT. § 11.0202\(2\)\(d\)](#). If a second committee is

established, that committee will register and file reports with the appropriate filing officer. [WIS. STAT. § 11.0102](#).

Failure to File a Registration Statement

Failure to file the original registration statement by the deadline for filing nomination papers prevents a candidate's name from appearing on the ballot. WIS. STAT. §§ [8.15\(4\)\(b\)](#), [8.30\(2\)](#). If a required statement or amendment is not filed on time, the registrant may be subject to a civil penalty. [WIS. STAT. § 11.1400\(1\)](#).

EXEMPTION FROM FILING CAMPAIGN FINANCE REPORTS

Eligibility

Committees may be eligible for an exemption from filing campaign finance reports if the committee anticipates that it will not accept or make contributions, make disbursements, or incur loans and other obligations in an aggregate amount exceeding \$2,000 in a calendar year. [WIS. STAT. § 11.0104](#). This includes the candidate's own contributions to their committee.

An indication of limited activity (exemption) under this section is effective only for the calendar year in which it is granted. [WIS. STAT. § 11.0104\(2\)](#). The Ethics Commission is seeking guidance from the Attorney General's office on interpreting and enforcing this statute. Pending that guidance or legislative change, the Ethics Commission is not requiring committees to renew their exemption status annually.

If a candidate committee wishes to renew its exempt status, it should file an amendment to the registration statement. Candidates on the ballot may claim an exemption when they first register or renew their exemption from the previous calendar year. However, **a candidate on the ballot in that calendar year, who did not claim the exemption on their original registration, may not amend her/his registration to claim the exemption** before the date of her/his election. [WIS. STAT. § 11.0104\(1\)\(b\)](#).

Financial Records During Exemption

When a committee is exempt, it is not required to file any campaign finance reports. However, the candidate or treasurer is still required to keep financial records of all contributions to the committee and of all expenditures from the date of registration until three years from the date of the election in which the candidate participates. [WIS. STAT. § 11.0201\(4\)](#). If the term of office is longer than three years, the Ethics Commission recommends keeping all records covering the term for that office.

A candidate committee that is exempt from filing campaign finance reports and which the candidate serves as the treasurer may use a personal account as the campaign depository and intermingle campaign funds with personal and other funds. [WIS. STAT. § 11.0201\(2\)\(b\)](#).

Revoking Exemption

If the committee exceeds the \$2,000 limit on contributions, disbursements, or obligations, the committee must amend its campaign registration statement by checking the box: "This registrant is no longer eligible to claim exemption," on the registration statement. An amendment to the registration statement must be filed with the appropriate filing officer within **ten days**. [WIS. STAT. § 11.0203\(3\)\(a\)](#). The committee is then required to file campaign finance reports beginning with the next regular report due after the earlier of either the date that the amended registration was filed or the date that the committee exceeded \$2,000 in aggregate contributions, disbursements, or obligations. [WIS. STAT. § 11.0104\(3\)](#).

CONTRIBUTION LIMITS

All candidates running for elected office must abide by contribution limits that vary depending on the office sought and the population of the district.

Receiving Committee	From an Individual	From a Candidate Committee	From a PAC	From a Corporation/Union
Referendum	No limits	No limits	No limits	No limits
Recall Committee	No limits	No limits	No limits	\$0; Illegal
Local Candidate	Greater of \$500 or 2¢ times the population in the district Not to exceed \$6,000.	Greater of \$500 or 2¢ times the population in the district. Not to exceed \$6,000	Greater of \$400 or 2¢ times the population in the district. Not to exceed \$5,000.	\$0; Illegal

Districts of 20,000 inhabitants or less have an individual limit of \$500 and a PAC limit of \$400.

Districts with 300,000 inhabitants or more will have an individual limit of \$6,000 and a PAC limit of \$5,000.

Districts with more than 20,000 but less than 300,000 inhabitants will have varying individual limits between \$500 and \$6,000, and PAC limits between \$400 and \$5,000.

WIS. STAT. §§ [11.1101](#), [11.1104](#)

The number of inhabitants in the jurisdiction or district is determined by the latest federal census or the census information on which the district is based, as certified by the appropriate filing officer. [WIS. STAT. § 11.1101\(2\)\(h\)2](#).

Definition of Campaign Period for Calculating Contribution Limits

For purposes of calculating contribution limits, a new candidate's campaign begins on the date a new candidate is required to file a registration statement, i.e., the date she or he becomes a candidate. [WIS. STAT. § 11.1103\(2\)](#). The campaign period includes both the primary and general election. The campaign period ends the day before the winning candidate begins her or his new term of office. [WIS. STAT. § 11.1103\(2\)](#).

For an incumbent candidate, the new campaign period begins on the day the candidate assumes office. WIS. STAT. § [11.1103\(1\)](#). The campaign period runs through the primary and general election for that office and lasts until the day before the winning candidate begins his or her new term of office. *Id.*

Exceptions to Contribution Limits

The following contributions to candidate committees may be made in unlimited amounts:

1. A candidate making contributions to their own campaign committee; ([WIS. STAT. § 11.1104\(7\)](#));
2. Political party committees or legislative campaign committees making contributions to candidate committees ([WIS. STAT. § 11.1104\(5\)](#)); or
3. Contributions used to pay legal fees and other expenses incurred in connection with a recount or petitions to recall an officer are not subject to contribution limits. To qualify for this exclusion, recall expenses must occur before the recall primary or election is ordered, or in contesting or defending the order. Contributions used to pay recount or recall expenses must be reported on the regular campaign finance reports. Both the contributor and the candidate should indicate which contributions are being used for this purpose ([WIS. STAT. § 11.1104\(9\)-\(11\)](#)).

CONTRIBUTIONS AND DISBURSEMENTS

Candidate committees are required to make full reports of all contributions, disbursements, and obligations received, made and incurred by the committee. Each report needs to include information covering the period since the last date covered on the previous report. [WIS. STAT. § 11.0204\(1\)\(a\)](#).

Contributions

“Contribution” means any of the following:

1. A gift, subscription, loan, advance, or transfer of money to a committee;
2. With the committee's consent under [WIS. STAT. § 11.1109](#), a transfer of tangible personal property or services to a committee, valued as provided under [WIS. STAT. § 11.1105](#);
3. A transfer of funds between committees; or
4. The purchase of a ticket for a fundraising event for a committee regardless of whether the ticket is used to attend the event.

[WIS. STAT. § 11.0101\(8\)\(a\)](#).

“Contribution” does not include any of the following:

1. Services that an individual provides to a committee, if the individual is not specifically compensated for providing the services to the committee;
2. Any unreimbursed travel expenses that an individual incurs to volunteer his or her personal services to a committee;
3. The costs of preparing and transmitting personal correspondence;
4. Interest earned on an interest-bearing account;
5. Rebates or awards earned in connection with the use of a debit or credit card;
6. A loan from a commercial lending institution that the institution makes in its ordinary course of business;
7. The reuse of surplus materials or the use of unused surplus materials acquired in connection with a previous campaign for or against the same candidate, political party, or recall if the materials were previously reported as a contribution;
8. The cost of invitations, food, and beverages in connection with an event held in a private residence on behalf of a candidate committee;
9. Any communication that does not expressly advocate for the election or defeat of a clearly identified candidate;
10. A communication made exclusively between an organization and its members. In this subdivision, a member of an organization means a shareholder, employee, or officer of the organization, or an individual who has affirmatively manifested an interest in joining, supporting, or aiding the organization;
11. Any cost incurred to conduct Internet activity by an individual acting in his or her own behalf, or acting in behalf of another person if the individual is not compensated specifically for those services, including the cost or value of any computers, software, Internet domain names, Internet service providers, and any other technology that is used to provide access to or use of the Internet, but not including professional video production services purchased by the individual; or
12. Any news story, commentary, or editorial by a broadcasting stations, cable television operator, producer, or programmer, Internet site, or newspaper or other periodical publication, including

an Internet or other electronic publication unless a committee owns the medium in which the news story, commentary, or editorial appears.

[WIS. STAT. § 11.0101\(8\)\(b\)](#).

Required Information for Contributions

1. The date, full name, and street address of each person who has made a contribution to the candidate committee, together with the amount of the contribution. [WIS. STAT. § 11.0204\(1\)\(a\)1](#).
2. The occupation, if any, of each individual contributor whose cumulative contributions to the candidate committee for the calendar year are in excess of \$200. [WIS. STAT. § 11.0204\(1\)\(a\)3](#).
3. An itemized statement of each contribution made anonymously to the candidate committee. If the contribution exceeds \$10, the candidate committee shall specify whether the candidate committee donated the contribution to the common school fund or to a charitable organization and shall include the full name and mailing address of the donee. [WIS. STAT. § 11.0204\(1\)\(a\)4](#).
4. A statement of totals during the reporting period of contributions received and contributions donated. [WIS. STAT. § 11.0204\(1\)\(a\)5](#).

In-Kind Contributions

An in-kind contribution is any good, service, or property offered to the candidate's campaign free of charge or at less than the usual cost, or payment of a registrant's obligations for such goods, services or property. [WIS. STAT. § 11.0101\(8\)\(a\)2](#). For example, if a campaign worker purchases stamps that are used for a mailing and is not reimbursed for the cost of the stamps, the value of the stamps is an in-kind contribution to the candidate's campaign from that campaign worker. When an individual is paid to work on behalf of a candidate by a political committee or some other individual, the payment for those services is an in-kind contribution to the candidate's campaign. If a political committee or individual offers to provide food and beverages for a fundraiser at less than the ordinary market price, the difference between the ordinary market price and the cost to the campaign is an in-kind contribution from the political committee or individual. If another committee pays for a newspaper, radio, or TV ad, and coordinates with the candidate committee about the content, timing, or other details of that ad, that ad would be an in-kind contribution.

Before making an in-kind contribution, the contributor is required to notify the candidate, candidate's agent, or the administrator or treasurer of the committee, and obtain either oral or written consent to the contribution. [WIS. STAT. § 11.1109](#). If the contributor does not know the actual value of the contribution, a good faith and reasonable estimate of the fair market value should be provided to the candidate committee before the closing date of the next campaign finance report in which the contribution is required to be listed. [WIS. STAT. § 11.1105](#), [WIS. ADMIN. CODE ETH 1.20\(5\)](#).

In-kind contributions are subject to the same itemization thresholds and the same contribution limits as monetary contributions. [WIS. STAT. § 11.0101\(8\)](#). Monetary contributions and in-kind contributions from a single contributor are added together for the purposes of determining compliance with contribution limits and the year-to-date amount for a specific contributor. WIS. STAT. §§ [11.0101\(8\)](#), [11.1103](#).

Reporting In-Kind Contributions

An in-kind contribution received by the campaign committee is reported by the committee as **both a receipt and expenditure**. Reporting the amount of the in-kind contribution as a contribution allows the campaign to disclose the receipt of the contribution on its campaign finance report along with cash contributions received and track year to date and campaign period totals. To keep the committee's cash balance accurate, the amount of the in-kind is also reported as an expenditure. The two entries offset each other so as to not affect the committee's cash balance.

If an estimate of the value of an in-kind contribution is the only value available at the time the candidate is required to file a report, the committee must report the estimated value of the contribution. [WIS. ADMIN. CODE ETH 1.20\(7\)](#). When the actual value of the estimated in-kind contribution is known, the actual amount is reported as an amendment to the original campaign finance report. *Id.*

Contributions and Other Income from Businesses

Businesses may make contributions under some circumstances, but the rules vary by the type of business.

1. Corporations **may not contribute** to local or state candidates in the State of Wisconsin. [WIS. STAT. § 11.1112](#).
2. Sole-proprietorships may contribute. The contribution must be reported under the name of the individual owner. This contribution counts toward the contribution limits from that individual to the candidate. [WIS. STAT. § 11.1113\(1\)](#).
3. Partnerships may contribute. The contribution must be reported under the names of the individual partners. The partnership may agree beforehand on how to allocate a portion of the contribution to each partner. If the partnership does not inform the candidate how the contribution should be allocated between the partners, then the contribution should be divided up according to each partner's share of the partnership's profits. [WIS. STAT. § 11.1113\(2\)](#).
4. LLCs taxed as a sole-proprietorship or partnership may contribute. The contribution must be reported under the name(s) of the individual owner(s). If there is more than one owner, contributions should be allocated as described in the partnership section above. [WIS. STAT. § 11.1113\(3\)](#).

Occasionally, a candidate committee may receive other income, like interest on a savings or checking account, or a refund of a security deposit, from a business. This other income is not a contribution and may be accepted from any type of business. [WIS. STAT. § 11.0101\(8\)\(b\)](#). The income should be reported as "Other Income," in campaign finance reports. [WIS. STAT. § 11.0204\(1\)\(a\)10](#).

Contributions Transferred through Conduits

A conduit is any individual, committee or group that receives contributions from individuals, deposits those contributions in a financial institution, and then transfers the contributions to a candidate or political committee selected by the original contributor. [WIS. STAT. § 11.0101\(7\)](#). The conduit may not exercise any discretion over the amount or ultimate recipient of the contributions. [WIS. STAT. § 11.0701\(3\)](#). A conduit is required to register with the Ethics Commission. [WIS. STAT. § 11.0702](#).

Reporting Conduit Contributions

Conduits are required to provide a transmittal letter with contribution checks sent to a receiving committee. The transmittal letter must identify the organization as a conduit, and list the individual contributors, the amount of each individual's contribution, and the date the individual authorized the contribution. [WIS. STAT. § 11.0704\(1\)](#). Contributions transferred through conduits are reported as contributions received from the individuals listed in the transmittal letter. [WIS. STAT. § 11.1106\(2\)](#). These contributions are reported under the individual's name. [WIS. STAT. § 11.1106\(1\)](#). They are subject to itemization on the same basis as other individual contributions. [WIS. STAT § 11.0204\(1\)\(a\)](#).

Returned Contributions

A committee may return a contribution at any time before or after it has been deposited. [WIS. STAT. § 11.1110\(1\)](#). Any contribution a committee returns to the donor after depositing it in the campaign account must be reported as a returned contribution to the contributor. A committee that accepts an unlawful contribution, reports that contribution, and returns that contribution within 15 days of the filing date for that report, does not violate the contribution or source limits. [WIS. STAT. § 11.1110\(2\)\(b\)](#).

Prohibited Contributions

Certain contributions are prohibited by Wisconsin law. A candidate's campaign may not accept the following types of contributions:

1. Anonymous contributions of more than \$10 ([WIS. STAT. § 11.1108](#));
2. Contributions in cash of more than \$100 ([WIS. STAT. § 11.1107](#));
3. Contributions given in the name of someone other than the contributor ([WIS. STAT. § 11.1204\(1\)](#));
4. Contributions from corporations, associations organized under ch. 185 or 193, labor organizations, or federally recognized American Indian Tribes ([WIS. STAT. § 11.1112](#));
5. Contributions more than the limits set by law ([WIS. STAT. §§ 11.1101, 11.1204\(3\)](#)); or
6. Contributions from foreign nationals. [WIS. STAT. § 11.1208\(4\)](#).

Licensed lobbyists can make personal contributions to candidates for local office and their candidate committees, provided that the local candidate is **not** currently holding a partisan state elective office. [WIS. STAT. § 13.625\(1m\)](#). Lobbyists are prohibited from making campaign contributions to state candidates for partisan state office except between the first day authorized to circulate nominations papers, and the day of the general election in the year of the candidate's election. Additionally, if the legislature is in session during that period, lobbyists may not make contributions to legislators or candidates or legislative office. *Id.* For further information on lobbyist contributions, visit the [Campaign Finance Prohibited Contributions section](#) the Ethics Commission's website (<https://ethics.wi.gov>) or contact an Ethics Commission staff member.

A candidate committee should monitor contributions carefully. If the candidate committee is aware that a contribution was received from a potentially prohibited source, the committee should ensure that the contribution is lawful. [WIS. STAT. § 11.1204\(3\)](#). It is recommended that a committee not accept any contributions if the committee cannot determine whether the contribution is lawful.

Disbursements

“Disbursement” means any of the following:

1. An expenditure by a committee from the committee's depository account;
2. The transfer of tangible personal property or services by a committee;
3. A transfer of funds between committees; or
4. The purchase of a ticket for a fundraising event for a committee regardless of whether the ticket is used to attend the event.

[WIS. STAT. § 11.0101\(10\)\(a\).](#)

“Disbursement” does not include any of the following:

1. A communication made exclusively between an organization and its members. In this subdivision, a member of an organization means a shareholder, employee, or officer of the organization, or an individual who has affirmatively manifested an interest in joining, supporting or aiding the organization;
2. A communication or Internet activity by an individual acting in his or her own behalf, or acting on behalf of another person if the individual is not compensated specifically for those services, including the cost or value of computers, software, Internet domain names, Internet service providers, and any other technology that is used to provide access to or use of the Internet, but not including professional video production services purchased by the individual;
3. Any news story, commentary, or editorial by a broadcasting station, cable television operator, producer, or programmer, Internet site, or newspaper or other periodical publication, including an Internet or other electronic publication unless a committee owns the medium in which the news story, commentary, or editorial appears; or
4. A nominal fee paid for a communication to the general public.

[WIS. STAT. § 11.0101\(10\)\(b\).](#)

Required Information for Disbursements

1. The date, full name, and street address of each committee to which the candidate committee has made a contribution, together with the amount of the contribution. [WIS. STAT. § 11.0204\(1\)\(a\)2.](#)
2. An itemized statement of every disbursement exceeding \$20 in amount or value, together with the name and address of the person to whom the disbursement was made, and the date and specific purpose for which the disbursement was made. [WIS. STAT. § 11.0204\(1\)\(a\)8.](#)
3. A statement of totals during the reporting period of disbursements made. [WIS. STAT. § 11.0204\(1\)\(a\)10.](#)

Obligations and Loans

Candidate committees are required to make full reports of all obligations received, made and incurred by the committee. The committee needs to include in each report information covering the period since the last date covered on the previous report. [WIS. STAT. § 11.0204\(1\)\(a\)](#).

“Obligation” means any express agreement to make a disbursement, including the following:

1. A loan or loan guarantee;
2. A promise to purchase, rent, or lease tangible personal property; or
3. A promise to pay for a service that has been or will be performed.

[WIS. STAT. § 11.0101\(23\)](#).

Required Information for Obligations

1. An itemized statement of every obligation exceeding \$20 in amount or value, together with the name of the person or business with whom the obligation was incurred, and the date and the specific purpose for which each such obligation was incurred must be reported in campaign finance reports. [WIS. STAT. § 11.0204\(1\)\(a\)9](#).
2. A statement of the balance of obligations incurred as of the end of the reporting period. [WIS. STAT. § 11.0204\(1\)\(a\)11](#).

Required Information for Loans

Each loan of money made to the candidate committee in an aggregate amount or value in excess of \$20, must be reported with all of the following:

1. The full name and mailing address of the lender;
2. A statement of whether the lender is a commercial lending institution;
3. The date and amount of the loan;
4. The full name and mailing address of each guarantor, if any;
5. The original amount guaranteed by each guarantor; and
6. The balance of the amount guaranteed by each guarantor at the end of the reporting period.

[WIS. STAT. § 11.0204\(1\)\(a\)7](#).

Cash Balances

Candidate committees are required to provide a statement of the cash on hand at the beginning and end of each reporting period. [WIS. STAT. § 11.0204\(1\)\(a\)6](#).

CAMPAIGN FINANCE REPORTS

All registrants that are not exempt from filing must file campaign finance reports. [WIS. STAT. § 11.0103\(1\)](#).

The information listed on the campaign finance report discloses the financial activity of the candidate's campaign. The law requires disclosure of income, disbursements, and incurred obligations. [WIS. STAT. § 11.0204\(1\)\(a\)](#). Committee treasurers must exercise diligence in acquiring and furnishing the contributor information required on the receipt schedules. For all contributors, the report must disclose the individual's name and address. [WIS. STAT. § 11.0204\(1\)\(a\)1](#). If the individual's year-to-date total exceeds \$200, you must also provide the individual's occupation. [WIS. STAT. § 11.0204\(1\)\(a\)3](#).

Treasurers and candidates are required to make a "good faith effort" to obtain all information required on the reports. [WIS. STAT. § 11.0103\(1\)\(a\)](#).

Types of Reports

Candidates on the ballot must file a pre-primary and a pre-election report which is due eight days before the primary or general election. Candidates for local nonpartisan office do not have to file pre-primary reports if they do not appear on a primary ballot. Candidates that lose in the primary or general election must continue to file reports until they are eligible for, and request, termination of their committee. Candidates must also file continuing reports in January and July of each year until they terminate their candidate committee, whether or not they are on the ballot.

With some restrictions, candidate committees that will not spend or receive more than \$2,000 in a calendar year may amend their registration and claim "exempt" status, which means they do not have to file campaign finance reports. See the section "[EXEMPTION FROM FILING CAMPAIGN FINANCE REPORTS](#)" on page 6 of this document for more information.

Reporting Periods and Elections:

Spring Primary: A committee that engages in activity concerning a spring primary must file: (1) a pre-primary report; (2) a pre-election report; and (3) annually in each year of an election cycle, a report on January 15 and July 15. [WIS. STAT. § 11.0204\(2\)](#).

Spring Election: A committee that engages in activity concerning a spring election must file: (1) a pre-election report; and (2) annually in each year of an election cycle, a report on January 15 and July 15. [WIS. STAT. § 11.0204\(3\)](#).

Partisan Primary: A committee that engages in activity concerning a partisan primary must file: (1) a pre-primary report; (2) a pre-election report; (3) in an odd-numbered year, a report on January 15 and July 15; and (4) in an even-numbered year, a report on January 15 and July 15 and on the 4th Tuesday in September. [WIS. STAT. § 11.0204\(4\)](#).

General Election: A committee that engages in activity concerning a general election must file: (1) a pre-election report; (2) in an odd-numbered year, a report on January 15 and July 15; and (3) in an even numbered year, a report on January 15 and July 15 and on the 4th Tuesday in September. [WIS. STAT. § 11.0204\(5\)](#).

Reporting deadlines can be found on the Ethics Commission's website at: <https://ethics.wi.gov/Pages/CampaignFinance/ReportPeriods.aspx>

How to Complete Campaign Finance Reports

The Ethics Commission requires candidate committees at the local level to file all necessary reports with the appropriate filing officer utilizing the:

- Local Campaign Finance Report Template on paper (<https://ethics.wi.gov/Resources/CF-2L>) or,
- Electronic Local Campaign Finance Report Template (<https://ethics.wi.gov/Resources/CF-2LE>) if the filing officer accepts electronic format.

WIS. STATS. §§ [11.0204\(1\)\(a\)](#), [11.1304\(1\)](#).

All contributions received by the committee must be reported in Schedule 1-A (Receipts) of the campaign finance report. Contributions and loans from individuals are listed in Schedule 1A (Contributions Including Loans from Individuals). Contributions from other committees, such as political action committees, political party committees, and other candidate committees, are reported in Schedule 1-B (Contributions from Committees). All other income such as loans from financial institutions, contributions returned from other registrants, refunds, returns of deposits or interest on investments are reported in Schedule 1-C (Other Income and Commercial Loans). The date which must be provided for all contributions is the date the committee **received** the contribution, that is, the date it acquired possession and control of the contribution, **not** the date of deposit or date on the check (unless all dates are the same). [WIS. STAT. § 11.0103\(2\)\(a\)1](#).

All money spent by the committee is reported in Schedule 2 (Disbursements) of the campaign finance report. General operating expenditures are listed in Schedule 2-A (Gross Expenditures). Contributions to other political committees are listed in Schedule 2-B (Contributions to Committees).

Additional information required to be disclosed is reported in Schedule 3 (Additional Disclosure) of the campaign finance report. All obligations of the committee such as unpaid debts are listed in Schedule 3-A (Incurred Obligations Excluding Loans). Loans and the individuals who guarantee loans for the committee are listed in Schedule 3-B (Loans).

[Schedule 4](#) of the campaign finance report form (Termination Request) is used for requests to terminate a committee.

No-Activity Report (“Postcard Report”)

If a candidate receives no contributions, makes no disbursements and incurs no obligations during a reporting period, the registrant may file a “No Activity Report” (https://ethics.wi.gov/Resources/CF-2NA_Statement_of_No_Activity.pdf). This form should be used **only** when there has been no financial activity and the cash balance remains unchanged during the reporting period. [WIS. STAT. § 11.0103\(3\)\(d\)](#).

ATTRIBUTION STATEMENTS (DISCLAIMERS)

Attribution statements, commonly referred to as disclaimers, are statements required to be placed on any communication containing express advocacy in order to identify the person(s) who paid for and/or authorized the communication. [WIS. STAT. § 11.1303\(2\)](#).

No disbursement by a candidate committee may be made anonymously and no contribution or disbursement may be made in a fictitious name or by one person or organization in the name of another. [WIS. STAT. § 11.1303\(1\)](#).

Every printed advertisement, billboard, handbill, sample ballot, television or radio advertisement, or other communication containing express advocacy which is paid for by any contribution or disbursement shall clearly identify its source. [WIS. STAT. § 11.1303\(2\)\(a\)](#).

Every communication containing express advocacy the cost of which is paid for or reimbursed by a committee, or for which a committee assumes responsibility, whether by accepting a contribution or making a disbursement, shall identify its source by the words "Paid for by" followed by the name of the committee making the payment or reimbursement or assuming responsibility for the communication and may include the name of the treasurer or other authorized agent of the committee. [WIS. STAT. § 11.1303\(2\)\(b\)](#).

Attribution statements do not apply to communications containing express advocacy printed on small items, which would normally require a disclaimer, but cannot be conveniently printed, including text messages, social media communications, and certain small advertisements on mobile phones. [WIS. STAT. § 11.1303\(2\)\(f\)](#).

Formats for Disclaimers

When a communication is paid for by a candidate committee, the disclaimer must include the words "Paid for by," followed by the name of the committee:

“Paid for by Friends of Mary Smith.”

The disclaimer may also include the name of the treasurer or other authorized agent:

“Paid for by Friends of Mary Smith for Mayor, James Jones, Treasurer.”

When a communication is paid for by another in coordination with a candidate committee, both the person making the payment and the committee accepting the in-kind contribution should be listed:

“Paid for by Citizens for Government, Authorized by Mary Smith for Governor.”

TERMINATION OF CAMPAIGN FINANCE REGISTRATION

A candidate committee may terminate its registration if it meets the following requirements [WIS. STAT. § 11.0105](#):

1. Determines that all financial activity will stop, and that she or he will no longer receive contributions, make disbursements, or incur obligations;
2. Files a termination campaign finance report showing that all incurred obligations have been paid or satisfied, and that the cash balance has been reduced to zero; and
3. Completes a request for termination in [Schedule 4](#).

A candidate may not terminate his or her registration before a primary or election in which he or she is a candidate. If a candidate loses a primary, he or she may terminate before the election. [WIS. STAT. § 11.0105\(1\)\(b\)](#).

Incumbent office holders are candidates, and because candidates are required to file campaign finance registration statements; an incumbent officer holder cannot terminate his or her campaign finance registration prior to leaving office. WIS. STAT. §§ [11.0101\(1\)\(c\)](#), [11.0202\(1\)\(a\)](#). Incumbents with limited financial activity may file for “exempt” status, which means they would not have to file campaign finance reports during that time. See the section “[EXEMPTION FROM FILING CAMPAIGN FINANCE REPORTS](#)” on page 6 of this document for more information.

Disposal of Residual Funds

Residual funds may be used for any purpose that is not for an individual’s strictly personal use and is not prohibited by law, including:

1. Repay any outstanding loans. If loans are not repaid, they must be forgiven before the committee can request termination;
2. Returning money to contributors in amounts that are not more than the contributor’s original contribution (note: the candidate or treasurer may choose which contributors to refund. The committee is not required to pro-rate and return a portion to all contributors);
3. Donating money to any tax-exempt charitable organization or the Common School Fund;
4. Transferring money to another registrant within the permitted contribution limit; or
5. Using any combination of the above.

WIS. STAT. §§ [11.0105](#), [11.1208\(2\)\(a\)](#).

Prior to making these disbursements of residual funds, make sure the committee does not have any pending fees or settlement offers.
